

DAYMARK - YOUR MICROSOFT AZURE CLOUD SERVICE PROVIDER

THE COMPELLING CASE FOR DAYMARK CLOUD SERVICES

Moving applications and data to the Azure cloud is no small task, but the benefits make a very compelling business case. Partnering with Daymark as your Microsoft Cloud Service Provider (CSP) enables you to leverage the agility, scalability and cost benefits of the cloud, supported by Daymark and Microsoft's extensive service capabilities.

DAYMARK CLOUD SERVICE BENEFITS

- Fully managed and optimized workloads in the cloud
- Streamlined cloud migration deployments
- Mitigated risk and reduced CapEx
- Flexible and simplified consumption-based billing
- Scale licenses up or down as needed
- IT staff freed to work on strategic initiatives
- Peace-of-mind that applications are highly available, monitored, and protected

WHY CHOOSE DAYMARK AS YOUR CSP

- Receive pricing for Azure and Office 365 at the same price as Pay as You Go (PAYG) and Enterprise Agreement (EA) offerings direct from Microsoft
- 1st call support at no additional charge
- Simplified monthly billing - No long term contract
- Scale up or down at any time
- Support provided by consultants that know your environment
- Daymark acts as an extension of your team/IT organization
- Consolidated billing for cloud and subscription services
- Customer portal for ticketing, live chat, knowledge base, billing
- Access to Daymark's Microsoft Premier support services
- Option for full managed services and advanced tech support for Office 365 and Azure
