

CONSIDERING A MIGRATION TO MICROSOFT AZURE?

Going it alone can create unnecessary risks, costs and delays. **Daymark's Azure Everywhere Workshop** leverages our expertise and proven best practices for Azure migrations to ensure your deployment is successful.

AZURE EVERYWHERE WORKSHOP

GAIN CRITICAL INSIGHTS THAT KEEP YOUR BUSINESS MOVING FORWARD

ABOUT THE WORKSHOP

The Daymark Azure Everywhere Workshop is a two-day onsite workshop at your location. Daymark cloud consultants will conduct a thorough assessment of your environment and make recommendations on workloads best suited for the Azure platform.

DAY ONE

Daymark cloud consultants will cover:

- Azure fundamentals
- Whiteboarding potential workloads
- Key considerations and dependencies

DAY TWO

Daymark cloud consultants will:

- Develop a Proof of Concept (PoC) of a workload in Azure
- Guide your IT team through a hands-on deployment
- Provide a workshop summary document that includes a customized Azure consumption plan for the resources used for the PoC.

WORKSHOP HIGHLIGHTS

Azure Everywhere

- Your workload optimized for the Azure cloud
- Proof of Concept
- A custom plan for Azure workload candidates
- Option for fully managed services for applications on Azure
